Tiger Features

Productivity. Performance. Power.

With the power of the Tiger TruckKat you can do more in more places than you ever could before. The versatility of this innovative machine allows you to mow roadside areas, trim low hanging branches, remove silt from ditches, sand icy streets and move snow with ease.

Then once you've finished the job you can drive the TruckKat on the highway at the same speed as the traffic flow – increasing safety, cutting down on drive time and improving overall productivity. Experience the power of the all-season Tiger TruckKat.
