1	33764	Washer, 5/8"	6

OFFSET DISC KIT PART #06700089

(Kit includes items 6, 5, 2, 1)

STRAIGHT BLADES

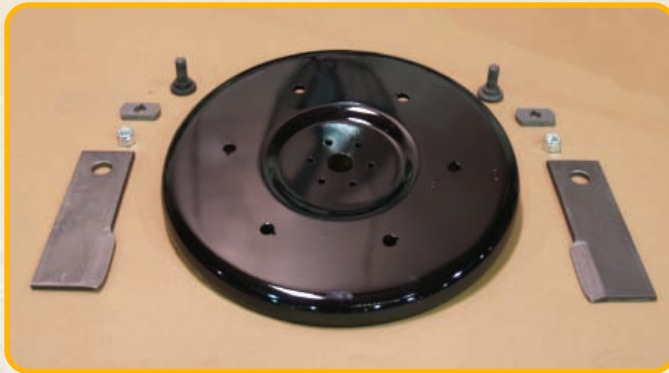

The new straight blade provides a longer life and greater strength at a lower list price.

GRASS BLADES

The new grass blades offer high suction for cutting dense material.

OFFSET DISC

Upgrade your old cutter assembly with a new larger diameter disc. The new disc provides more blade support resulting in a higher strength cutting assembly. The new offset center also eliminates the need for a bolt protector.

- **One-piece 5/8" Thick Disc**
- **50,000 PSI Yield Strength**
- **Spun Formed**
- **Laser Cut**
- **Balanced**
